Mutiny. The bark Horace, Capt. L. Foss, of this port, which sailed from New Orleans on the 10th ult. bound to hverpool, anchored off our harbor on Wednesday last, her crew being in a state of mutiny. We learn from a gen-tleman who examined the log book of the H. that the mutiny commenced on the 18th uit. off the coast of Plorada, without any provocation on the part of the Captain or other officers.

One of the mutineers was armed with a pistol, heavily loaded, which was taken from him by the Captain .- The ringleaders, tour in number, were taken into custody by the U. S. Certificate of cure of CHOLICS, FITS, & c. & c. From a BOSTONIAN, whose address is at the foot [TRUR COPY]

To Dr. Benj. Brandreth

My dear Sir I write a few lines to inform you that I have been making use of your Vegetable Universal Prits. I have been afflicted with a com-plaint supposed to be caused by PAINT. I was subject to a great coldness through my whole system attended with frequent pain aud severe choiics , for the year I have also been subject to fits, which would seize me in the night, and when I have cone to my self, I have been as weak as a child. I ain ready to state the facts more perticularly, and how the medicine acted upon me, at my residence No 17 Sudbury street, to any one who wishes to

feel the medicine has been of very great service and that the discases under which I labored have been by it ENTIRELY REMOVED, for which I shall ever feel grateful to Providence and to you. Believe use to remain.

To the Hon the Senate and House of Representa tives, in Legislature assembled,

WHE undersigned beg leave to represent that Boom from Ayer's Island, at Sullwater, to extending and across the main Penobscot River through a portion of Ayer's Falls to the eastern hore would greatly accommodate and advantage the Mills and those interested in the manufacture of Lumber at that place, and in case of injury to the hoom above or the escape of logs or other lumber, would afford to the owners and others great facili lies in the preservation of their property and save to the community a large amount of property which now annually passes down said river-into tide waters or helew the mills where they can be safely and advantageously manufactured

Wherefore we pray your hon body to grant us an Act of Incorporation, with such immunities and restrictions as may seem just and as will subserve the interests aforesaid. And as in duty bound walt ever pray. WILLIAM SMY I'H, and others
